#### Good Morning Grizzlies!

Quote of the Day: "Everyone you will ever meet knows something you don't." ~ Bill Nye

The FMS Battle of the Books is back and better than ever! A team of students worked hard last spring to compile an amazing list of books in every genre from paranormal & mystery to graphic novels & story collections. There truly is something for everyone. Stop by the library to check out these great titles, pick up a reading list and find out more! The list & more info is also available on the library page of the FMS website. Happy reading Grizzlies!

How would you like to spend 8 fun filled Saturdays with your friends skiing or snowboarding at Mt. Baker? Bring your parents to a mandatory meeting, at Kulshan Middle school, October 17<sup>th</sup> at 6:30 to hear all about the Winter Ride ski bus and to sign up to ensure yourself a seat on the bus. If you have additional questions please see Mrs. Neilan in the office.

Hey Grizzlies! Please come to the Workroom any morning before 1<sup>st</sup> period and Mrs. Martin will give you **your ASB card**. It is not too late to purchase your card and you need one before you play sports or participate in an ASB Club.

If you love to create, build, and design projects, Makerspace is right for you. In this club you can use all the tools and materials of the Media and STEM classes to create any project you want. It could be a 3D printed keychain, vinyl cut sticker, costume, movie, and much much more. Robotics is a club where students build and program robots to compete in competitions. We meet every Monday after school in room 101. If you have questions, please talk to Ms. Samora.

Students interested in making some money this year by babysitting are in luck! Whatcom Middle School is hosting a Better Babysitters Course! Students must be at least 11 years old and cost is \$41. Space is limited so payment must be made at the time of registration in order to guarantee a spot! Deadline is Thursday, Oct. 25<sup>th</sup>. More information in the office.
