

FAIRHAVEN MIDDLE SCHOOL

Weekly Bulletin

Oct. 29 – Nov. 1, 2018

Monday B Day	Tuesday A Day	Wednesday B Day	Thursday Early Dismissal	Friday No School
------------------------	-------------------------	---------------------------	------------------------------------	----------------------------

Good Morning Grizzlies!

Quote of the Day: “You can’t go back and change the beginning, but you can start where you are and change the ending.” ~ C.S. Lewis

Robotics Club starts next Tuesday, October 30th. The Sehome Robotics team will be our mentors for the FMS Robotics Club. Students will learn how to build and program robots, with the possibility of a competition later in the school year. We will be using VEX robotics Kits. Fairhaven is the first middle school in the district to test out these brand new kits. Join us from 3:45-5:15 every Tuesday. Snacks will be provided at every meeting. See Ms. Samora in Room 101 if you have any questions.

If you love to create, build, and design projects, MakerSpace is right for you. In this club you can use all the tools and materials of the Media and STEM classes to create any project you want. It could be a 3D printed key chain, vinyl cut sticker, photography, videography, and much much more. Our first meeting is next Monday, October 29th in room 101. See Ms. Samora if you have any questions.

6th grade Intramural basketball will be starting in the gym Monday – Friday, except early dismissal and no school days from 7:45 – 8:45 am starting Nov. 5th. This is for 6th grade boys only, no ASB card required.

Attention all students! Do you need a quiet place to complete some school work after your school day? Come to den! Den will be held in the library. If you plan on attending den you need to check in by 3:55 and you must stay until 4:45pm.

~~Will the following students please report to the **OFFICE** directly following announcements:~~

Please stand for the “Pledge of Allegiance”. “I pledge allegiance to the flag of the United States of America...
