

# FMS FALL ENRICHMENT CLUB AND PROGRAMS

Dear Fairhaven Middle School (FMS) Families and Friends,

The FMS Staff and the PTSA are excited to offer students some fantastic club and enrichment opportunities! Please be aware of the following important points when viewing the options and registering your child:

- You can access specific information about each club, including start dates, room location, and a brief description, by clicking on the link inside the schedule.
- For all enrichment clubs offered by FMS staff (which currently is every club other than Chess and Math club), there is no fee, but your student does need an ASB card!
- ASB (Associated Student Body) fee of \$10 is required. This is a one- time fee each school year. The ASB fee payment envelope is available in the Fairhaven office or payments may be made online: <https://onlinepayments.bellinghamschools.org/>
- Scholarships for the PTSA –sponsored programs: the PTSA wants to ensure that all FMS student(s) feel they can participate in any FMS enrichment program or club. Therefore, the PTSA has established a scholarship fund for the fee-based activities. Scholarships will be awarded on a first-come, first-serve basis until funds are gone. ONLY ONE scholarship per child, per session across the PTSA-sponsored programs. Please click on the scholarship link located on the form for the PTSA sponsored club of interest (math or chess) if you need financial assistance.
- Allergies, medications and dietary restrictions – Please contact the club advisor directly to discuss any of these health-related concerns.

**Thank you very much for your time and support of the FMS Community!**
